NO progress was obtained again for either team until the last quarter when again LaSalle

Occasionally Went Out With Marquis the marquis asserts that it is unlikely any of royal family will attend wedding, as King George has failed to answer request for permission to marry U.S. divorcee. The marquis said his request for King's permission to wed "was just a matter of courtesy, because I'm not in the direct line of descent."

## Mushes 750 Miles Eskimo Girl Home

GNS Photo.

Rebecca, 16-year-old Eskimo girl, who recently returned to her own people in the Arctic after nearly two years in England, still wonders why white people are in such a rush. Adopted at the age of 10 by Canon John H. Turner and his wife, the girl was taken to England after Canon Turner's death in a Winnipeg hospital, Dec. 9, 1947. He, his two children, his wife and Rebecca were rescued by an R.C.A.F. plane from their lonely mission at Moffet Inlet, Baffin Island, Nov. 22. Radio broadcasts, newspaper interviews, posing for photographers were Rebecca's lot for months. Now she has just completed a 750-mile journey by dog sled to be welcomed back by her family.

Next Sunday Oct. 9th., will start the 1949, Fire Prevention week. In the past year LaSalle can boast of a year with a remarkable small loss of fire damage. Keep up the good record for low insurance rates. However in a recent tour of inspection it had been noted that some home owners are building chimneys that will not pass inspection. Note the neys must start from below frost Provincial Fire Laws are chimney and that they will be 3 ft. higher than any peak. Within 10 feet and entrance to chimney will have a 9" clearance from any combustible material motor and brick material made with a cement base.

These laws are for your own good a safety, enacted by the Provincial Govt. of Ont. Examine your chimney for defects, such as soot deposits or cracks.

Repair them!
